PUBLIC NOTICE

Department of Health

Pursuant to 42 CFR Section 447.205, the Department of Health hereby gives public notice of the following:

The Department of Health proposes to amend the Title XIX (Medicaid) State Plan for non-institutional services to comply with Sections 368-d and 368-e of the Social Services Law. The following changes are proposed:

Non-Institutional Services

Effective on or after July 1, 2023, the Department of Health proposes to request federal approval to extend utilization of certified public expenditures (CPEs) reimbursement methodology for School Supportive Health Services. The Department also intends to request federal approval to include coverage of medical services under the Medicaid School Supportive Health Services Program (SSHSP) for all Medicaid-enrolled students, including those without an Individualized Education Plan.

The estimated annual net aggregate increase in gross Medicaid expenditures attributable to this initiative contained in the budget for state fiscal year 2023-2024 is \$25 million.

The public is invited to review and comment on this proposed State Plan Amendment, a copy of which will be available for public review on the Department's website at http://www.health.ny.gov/regulations/state_plans/status. Individuals without Internet access may view the State Plan Amendments at any local (county) social services district.

Additionally, proposals from small and New York City-based businesses are also encouraged.

PUBLIC NOTICE

Department of State

F-2023-0357

Date of Issuance – June 28, 2023

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act (CZMA) of 1972, as amended.

The applicant has certified that the proposed activities comply with and will be conducted in a manner consistent with the federally approved New York State Coastal Management Program (NYSCMP). The applicant's consistency certification and accompanying public information and data are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York.

In F-2023-0357, the applicant, Gina Yannucci, is proposing to remove existing fixed dock and floats and install a new 4' x 120' open grate catwalk leading to seasonal 3' x 30' ramp, 5' x 40' float, 15' x 15' float, and 6' x 12' jet ski float. Catwalk to be elevated 4' over tidal vegetation, supported by (22) 10" diameter piles, and floats will be chocked 24" off bottom. This project is located at 98 Old Field Road, Village of Old Field, Suffolk County, Conscience Bay

The applicant's consistency certification and supporting information are available for review at: <https://dos.ny.gov/system/files/documents/2023/06/f-2023-0357.pdf> or at <https://dos.ny.gov/public-notices>

The proposed activity would be located within or has the potential to affect the following Special Management or Regulated Area(s):

- Conscience Bay, Little Bay, & Setauket Harbor Significant Coastal Fish and Wildlife Habitat: https://dos.ny.gov/system/files/documents/2020/03/conscience_bay_little_bay_setauket_harbor.pdf

Any interested parties and/or agencies desiring to express their views concerning any of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 30 days from the date of publication of this notice or July 28, 2023.

Comments should be addressed to: Department of State, Office of Planning and Development and Community Infrastructure, Consistency Review Unit, One Commerce Plaza, Suite 1010, 99 Washington Ave., Albany, NY 12231, (518) 474-6000. Electronic submissions can be made by email at: CR@dos.ny.gov

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.

SUMMARY
SPA #23-0073

This State Plan Amendment proposes to expand Applied Behavior Analysis services provided by New York State Licensed Behavior Analysts to all Medicaid eligible individuals, regardless of age. The current State Plan limits Applied Behavior Analysis services to individuals under 21 years of age.

Coordinated Specialty Care Services

Assurances:

The State assures that all rehabilitative services are provided to, or directed exclusively toward the treatment of the Medicaid-eligible individual in accordance with section 1902(a)(10)(A)(i) of the Act.

The State assures that rehabilitative services do not include and FFP is not available for any of the following in accordance with section 1905(a)(13) of the Act:

- A. educational, vocational and job training services;
- B. room and board;
- C. habilitation services;
- D. services to inmates in public institutions as defined in 42 CFR §435.1010;
- E. services to individuals residing in institutions for mental diseases as described in 42 CFR §435.1010;
- F. recreational and social activities; and-
- G. services that must be covered elsewhere in the state Medicaid plan.

Description:

Coordinated Specialty Care (CSC) is an evidence-based practice service model recognized by the Substance Abuse and Mental Health Services Administration of the U.S. Department of Health and Human Services for the treatment of young people experiencing a first episode of psychosis (FEP). CSC services are services for adolescents and young adults with the recent onset of a psychotic disorder that are designed to reduce disability, restore functionality, and reduce acute service use.

CSC services are provided by a team of specialists who work with the beneficiary and their family to create a personalized treatment plan. CSC principles of care include shared decision-making, youth-friendly and welcoming environments, equity and inclusion, and flexible and accessible services to minimize barriers for young people who have difficulties engaging in treatment during initial psychosis symptom onset.

CSC Services are recommended by a licensed practitioner of the healing arts acting within the scope of their professional license and applicable New York State law, including licensed Physicians, Physician Assistants, Nurse Practitioners, Registered Professional Nurses, Psychologists, Licensed Clinical Social Workers (LCSW), Licensed Master Social Workers (LMSW) under the supervision of a LCSW, licensed psychologist or psychiatrist, Licensed Mental Health Counselors (LMHC), Licensed Marriage and Family Therapists (LMFT), Licensed Creative Arts Therapists (LCAT), and Psychoanalysts.

Provider Qualifications:

CSC services are provided by a multidisciplinary team of professional and paraprofessional staff under the supervision of professional staff.

1905(a)(13) Other Diagnostic, Screening, Preventative, and Rehabilitative Services

Professional staff include the following licensed, permitted, or otherwise authorized individuals acting within NYS scope of practice laws: Physicians; Psychiatrists; Physician Assistants, Nurse Practitioners; Psychiatric Nurse Practitioners; Registered Professional Nurses; Licensed Practical Nurses; Psychologists, including Psychologists who have obtained a Master's degree in Psychology while under the supervision of a Licensed Psychologist; Licensed Clinical Social Workers; Licensed Master Social Workers; Social Workers who have obtained a Master's Degree in Social Work while under the supervision of a Licensed Clinical Social Worker, Licensed Psychologist, or Psychiatrist; Licensed Mental Health Counselors; Mental Health Counselors who have obtained a Master's Degree required for licensure and are supervised by a Psychologist, Licensed Clinical Social Worker, or a Licensed Mental Health Counselor; Licensed Marriage and Family Therapists; Licensed Creative Arts Therapists; and Licensed Occupational Therapists who meet the qualifications set forth in 42 CFR § 440.110(b)(2).

Professional staff also include Psychiatric Rehabilitation Practitioners certified by the Certification Commission of the Psychiatric Rehabilitation Association; Rehabilitation Counselors who have obtained a master's degree in rehabilitation counseling or are certified by the Commission on Rehabilitation Counselor Certification; and Therapeutic Recreation Specialists who have obtained a master's degree in therapeutic recreation or are certified by the National Council for Therapeutic Recreation Certification.

Paraprofessional staff must have obtained a bachelor's degree or have attained at least 18 years of age and a high-school diploma or equivalent.

CSC services are also provided by peer specialists, who are individuals who have lived experience with mental health challenges. Peer specialists must have attained at least 18 years of age, a high-school diploma or equivalent, and possess a New York State Peer Specialist certification or provisional certification or a New York State Youth Peer Advocate credential or provisional credential. The New York State Peer Specialist certification and Youth Peer Advocate credential requires the completion of specific training and ongoing training to maintain the certificate/credential. Peer specialists are supervised by competent mental health professionals, who are defined as a professional staff above.

Staff Supervision and Training Requirements

Professional staff provide supervision to the CSC team members in the provision of CSC Services. Professional staff supervision for paraprofessional staff occurs both formally, through direct supervision and consultation, as well as informally through regular team meetings, which are a hallmark of the CSC evidence-based practice model. All CSC providers, including professionals, paraprofessionals and peer specialists, are required to complete training in the CSC model and role-specific training.

Services

CSC services will be provided based upon the assessment of an individual's mental, physical and behavioral condition and history, which will be the basis for establishing a Person-centered Treatment Plan. CSC services will also be provided to collaterals, including family, and others significant in the individual's life, for the direct benefit of the beneficiary and in accordance with the individual's Treatment Plan.

SUMMARY
SPA #23-0077

This State Plan Amendment proposes to allow for the Central New York's community members continued access to emergency /crisis evaluations, treatment, and observation services. For those adults needing further stabilization and treatment, inpatient services will be maintained at St. Joseph's Health. These 2 programs are vital components of St. Joseph's Health's continuum of care. Additionally, Comprehensive Psychiatric Emergency Program's (CPEP's) mobile crisis outreach services provide additional community access to crisis care and follow-up services with the goal of reducing Comprehensive Psychiatric Emergency Program (CPEP) utilization, Emergency Room utilization and inpatient level of care.

PUBLIC NOTICE

Department of Health

Pursuant to 42 CFR Section 447.205, the Department of Health hereby gives public notice of the following:

The Department of Health proposes to amend the Title XIX (Medicaid) State Plan for long term care services as authorized by § 2826 of the New York Public Health Law. The following changes are proposed:

Long Term Care Services

Effective on or after July 1, 2023, the Department of Health proposes to amend the Title XIX (Medicaid) State Plan for institutional services related to temporary rate adjustments to long term care providers that are undergoing closure, merger, consolidation, acquisition or restructuring themselves or other health care providers. These payments are authorized by current State statutory and regulatory provisions. The temporary rate adjustments will be reviewed and approved by the CINERGY Collaborative.

The estimated net aggregate increase in gross Medicaid expenditures attributable to this initiative contained in the budget for state fiscal year 2023-2024 is \$30 million.

The public is invited to review and comment on this proposed State Plan Amendment, a copy of which will be available for public review on the Department's website at http://www.health.ny.gov/regulations/state_plans/status. Individuals without Internet access may view the State Plan Amendments at any local (county) social services district.

PUBLIC NOTICE

Department of Health

Pursuant to 42 CFR Section 447.205, the Department of Health hereby gives public notice of the following:

The Department of Health proposes to amend the Title XIX (Medicaid) State Plan for non-institutional services. The following changes are proposed:

Non-Institutional Services

Effective on or after July 1, 2023, this notice proposes to establish Medical Assistance coverage and rates of payment for Coordinated Specialty Care (CSC), an evidence-based practice model for the treatment of young people experiencing a first episode of psychosis (FEP). CSC services are intended to benefit adolescents and young adults with the recent onset of a psychotic disorder, helping to prevent acute service use, reduce disability, and help young people with early psychosis stay on track with their goals for school, work, and relationships.

The estimated aggregate increase in gross Medicaid expenditures attributable to this initiative contained in the budget for state fiscal year 2024 is \$4.8 million and \$6.4 million for state fiscal year 2025.

The public is invited to review and comment on this proposed State Plan Amendment, a copy of which will be available for public review on the Department's website at http://www.health.ny.gov/regulations/state_plans/status. Department of Health

Pursuant to 42 CFR Section 447.205, the Department of Health hereby gives public notice of the following:

The Department of Health proposes to amend the Title XIX (Medicaid) State Plan for long term care services as authorized by § 2826 of the New York Public Health Law. The following changes are proposed:

Long Term Care Services

Effective on or after July 1, 2023, the Department of Health proposes to amend the Title XIX (Medicaid) State Plan for institutional services related to temporary rate adjustments to long term care providers that are undergoing closure, merger, consolidation, acquisition or restructuring themselves or other health care providers. These payments are authorized by current State statutory and regulatory provisions. The temporary rate adjustments will be reviewed and approved by the CINERGY Collaborative.

The estimated net aggregate increase in gross Medicaid expenditures attributable to this initiative contained in the budget for state fiscal year 2023-2024 is \$30 million.

The public is invited to review and comment on this proposed State Plan Amendment, a copy of which will be available for public review on the Department's website at http://www.health.ny.gov/regulations/state_plans/status. Individuals without Internet access may view the State Plan Amendments at any local (county) social services district.

PUBLIC NOTICE

Department of Health

Pursuant to 42 CFR Section 447.205, the Department of Health hereby gives public notice of the following:

The Department of Health proposes to amend the Title XIX (Medicaid) State Plan for non-institutional services. The following changes are proposed:

Non-Institutional Services

Effective on or after July 1, 2023, this notice proposes to establish Medical Assistance coverage and rates of payment for Coordinated Specialty Care (CSC), an evidence-based practice model for the treatment of young people experiencing a first episode of psychosis (FEP). CSC services are intended to benefit adolescents and young adults with the recent onset of a psychotic disorder, helping to prevent acute service use, reduce disability, and help young people with early psychosis stay on track with their goals for school, work, and relationships.

The estimated aggregate increase in gross Medicaid expenditures attributable to this initiative contained in the budget for state fiscal year 2024 is \$4.8 million and \$6.4 million for state fiscal year 2025.

The public is invited to review and comment on this proposed State Plan Amendment, a copy of which will be available for public review on the Department's website at http://www.health.ny.gov/regulations/state_plans/status.
